I am probably going to get a lot of kick back from this one, but it is overwhelmingly obvious to me that Russian Prime Minister Vladimir Putin is closely connected, if not in the pocket of, the Jewish Messianic Kabbalistic sect Chabad Lubavitch.

‘Putin’s rabbi’ says challenging governments is not Jewish

Berel Lazar, one of Russia’s chief rabbis, stands by his strongman, aka President Vladimir Putin

The reason why this is so important is that **three of the biggest names in global politics all belong to the same sect**, [**Netanyahu, Trump and Putin**] who have a Messianic ideology to restore the Temple of Solomon to Jerusalem and an agenda for a world to come, which they Call Olam Haba.

To start with Putin has a very close relationship with Russia’s chief Rabbi Lazar, who is a Chabad member.

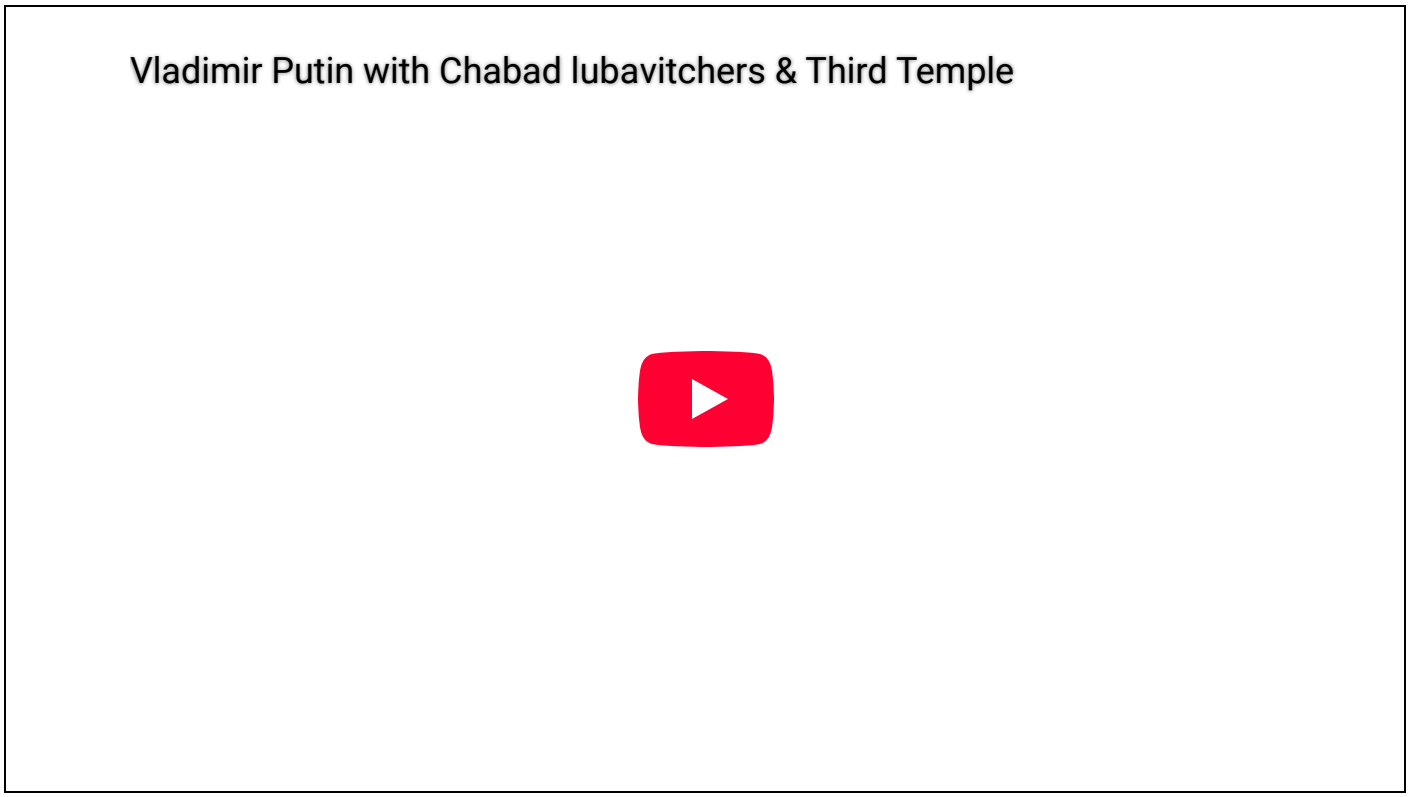
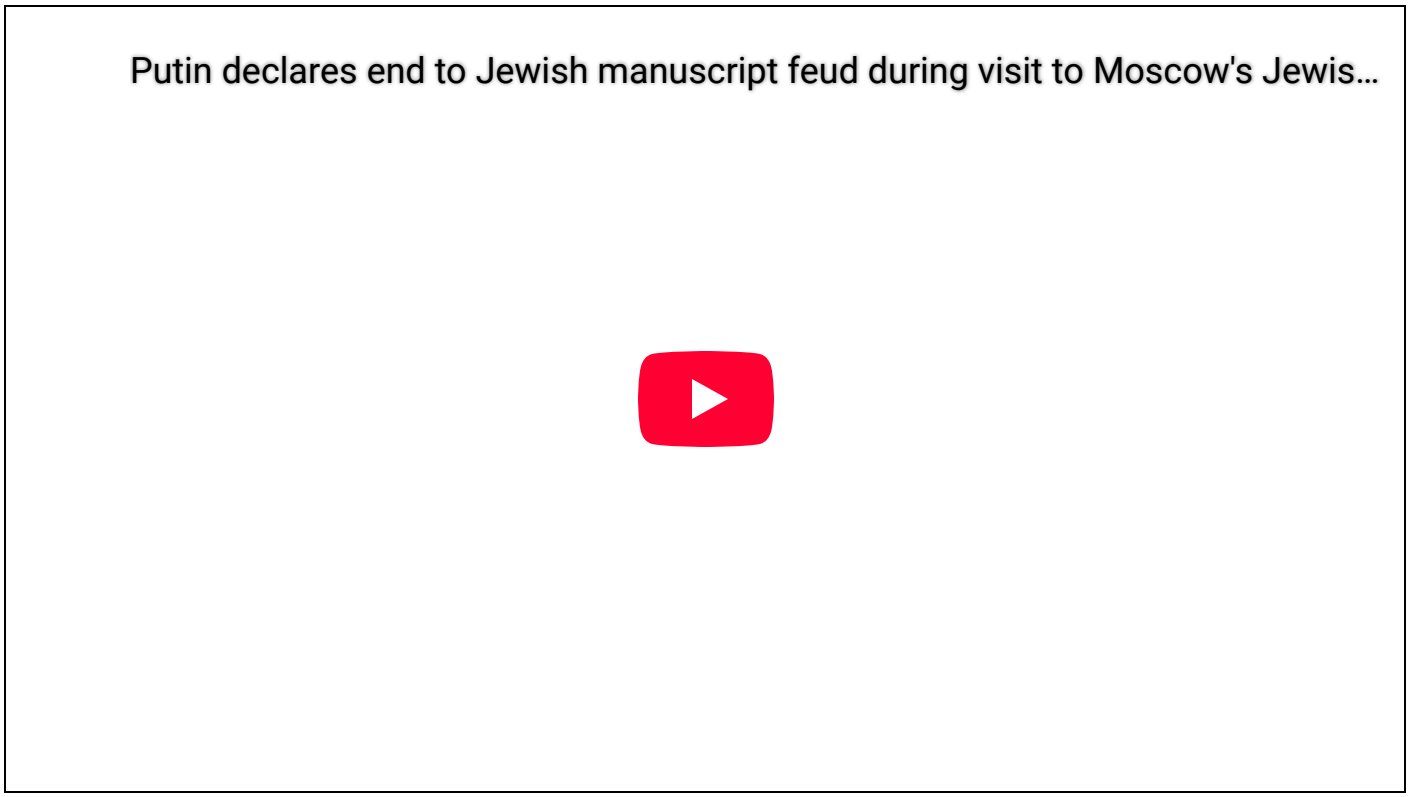
Many people could argue that this is what a President does, he has ties to many different organisations all over the world. But the ties that bind Putin and the Messianic Chabad Lubavitch sect whose HQ is in Brooklyn New York, are far deeper than a few business meetings here and there.

Below we see a video of Putin conversing with the Chabad sect about the building of a third temple of Solomon on Temple Mount. A building that would replace the current Al-Aqsa Mosque that sits on the site.



To show how important Chabad are to Russia and Putin there's been an ongoing argument over some of the 7th Rebbi Menachem Mendel Schneerson's books and writings, between Russia and the US.

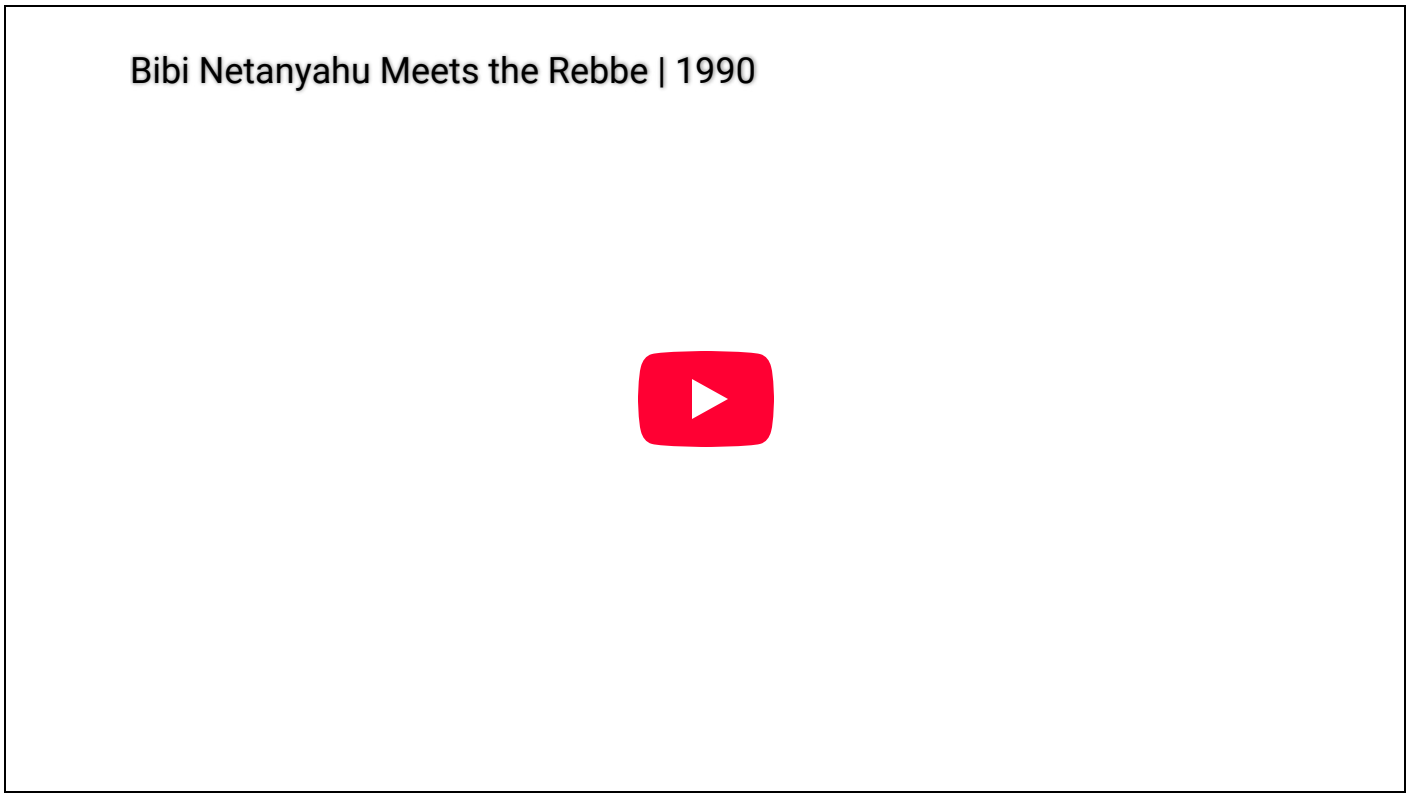


The Brooklyn sect of Chabad argue that the books belong to them after Schneerson emigrated to the US. In 2013 Putin handed the manuscripts over to a Russian Jewish museum and considered it to be “a dead issue”.

What many wont know is that within the Chabad community there is an on going divide between those who believe Menachem Mendel Schneerson was the promised Messiah, and those who do not. Schneerson died on June 12th 1994.

So there is a clear divide within the sect itself, perhaps this is why Putin refuses to hand over the manuscripts? if they are in Russia then they have a bargaining tool with Israel and Netanyahu who is also a deeply devout Chabad follower.

They would also control this occult information that Donald Trump and his New York based Chabad sect would like to get their hands on. Trump is connected to Chabad through his son in law Jared Kushner and his daughter.



I am not suggesting all three of these politicians, **Netanyahu, Trump and Putin** are all completely on the same page, they are “powerful” men who have huge ego’s to feed. I am sure each one of the wants to sit atop of the Messianic pile when their world to come (Olam Haba) is ushered in.
